SUPPORT & SOLUTION MANAGEMENT SERVICES

Focused on sustainable processes & solutions

» We are operating at eye level with our customers to maintain system performances, to close gaps of the standard solutions and to make IT & procurement staff fit for service.

MEIKE LAGARDE
ASSOCIATE PARTNER

IT Service Management – this means professional IT service management to meet our customers’ requirements using a suitable combination of people, processes and information technology.

» At apsolut, service always means thinking a step ahead. That’s why we offer value-adding services. These flexible service blocks can be arranged according to your company’s needs.

APSOLUT GOES GLOBAL

Focused on spots

Our continuous and profitable growth is based on our twelve locations in Europe and Asia. From here we provide consulting, roll-out and support for our customers in the entire EMEA region.

apsolut was the first company in the EMEA region to be awarded the status
SAP® Recognized Expertise
 in Cloud Procurement Solutions

OUR GUIDING VALUES

Focused on culture

Openness, cohesion, cooperation and mutual understanding — these values have been valid since the foundation and are still in existence today.

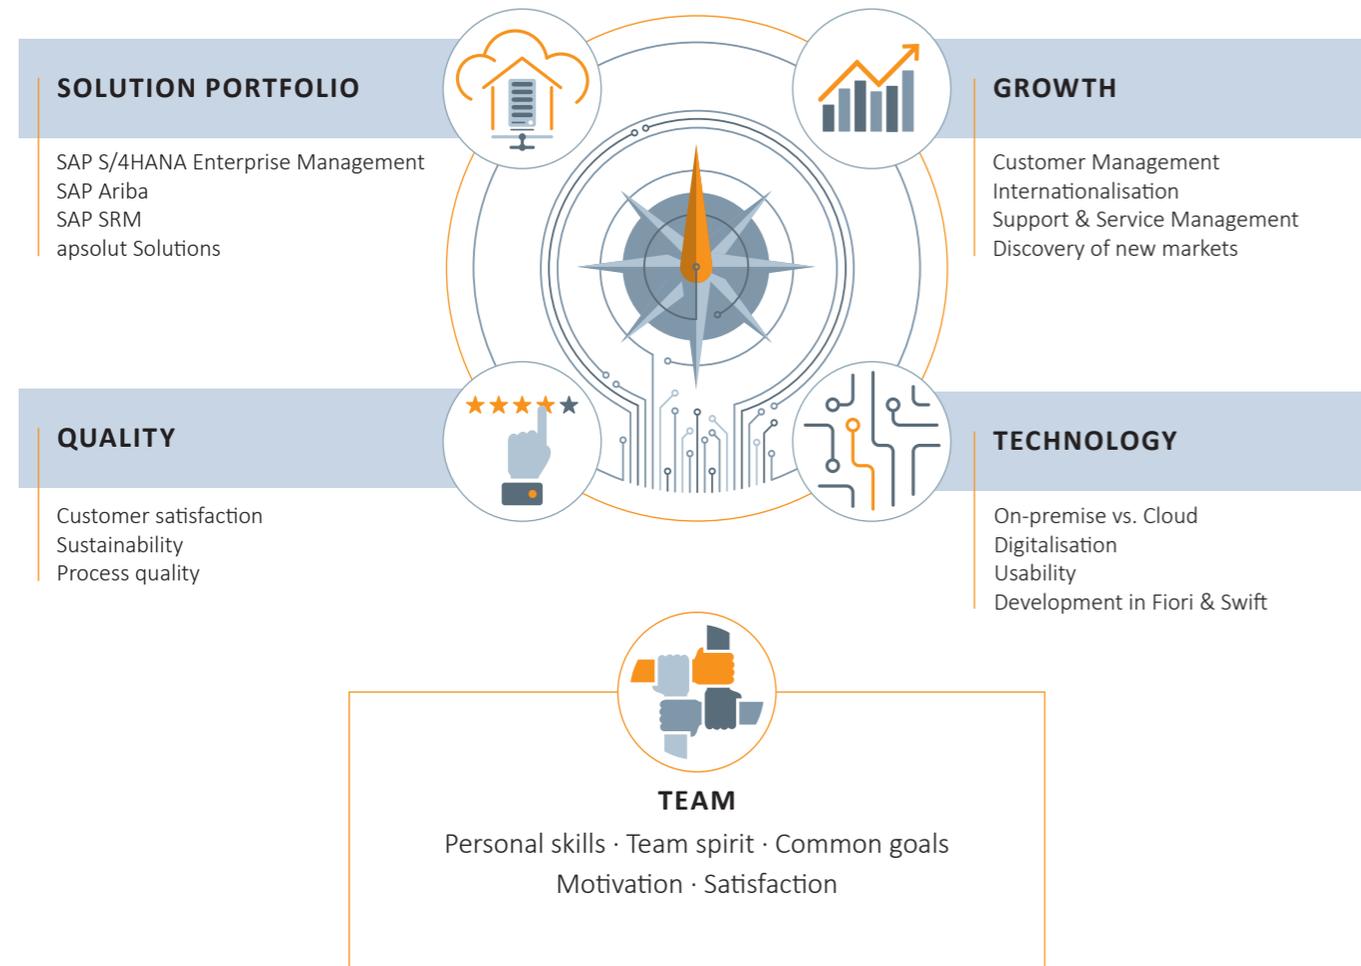

TIM KOLLMEIER

FOUNDER ■ ADVISOR OF THE MANAGEMENT BOARD

TRANSFORM TOGETHER

Focused on tomorrow

apsolut is SAP Ariba MEE Partner of the Years 2017 & 2018

CAREER WITH PERSPECTIVE

Focused on you

Rigid structures and externally controlled processes are searched for in vain. apsolut offers an optimal environment for employees whose own qualities and successes are the decisive factors for their professional prospects.

The employees here are exceptionally helpful. Everyone is willing to give detailed assistance, even if it is stressful.

GERRIT THEESFELD
CONSULTANT

After 11 years I am really proud to have made my contribution to the successful development of the company. I can't imagine working anywhere else.

MEIKE LAGARDE
ASSOCIATE PARTNER

We are proud of the fact that many of our employees have a long history at apsolut. They have achieved valuable contributions to the company's development.

THOMAS HERBST
FOUNDER & CEO

Thanks to the project work, I always stay in tune with the times and can familiarise myself with the latest technologies, software and processes.

THE BEST MARKETING IS OUR CUSTOMERS

Thanks to the well-structured project approach of the apsolut team, we have been able to implement some highly complex future topics.

BRUNO STREITENBERGER
PROJECT MANAGER ▪ BOSCH GMBH

Above all, it was important for us to be able to continue operating our established processes and workflows. With the support of apsolut, this was a perfect success! We are delighted to have a reliable partner in apsolut for our diverse requirements!

TIM MÜLLER
PROJECT ENGINEER
ALFRED RITTER GMBH & CO. KG

apsolut has brought with it a range of expertise and skills that are rarely found on the market to successfully implement our SLM project.

STEVEN LOW
PROCUREMENT SYSTEMS OWNER
GLAXOSMITHKLINE PLC

With the apsolut team, we quickly converted our global locations to SAP SRM UI5. Once again it has become clear why apsolut is more than just a service provider for us: a true partner we have trusted for over 13 years.
