## SAP S/4HANA – a first Glance

In a one-day workshop, we will give you an overview of the design and changes in the digital core of SAP S/4HANA.

We give you an insight into possible implementation scenarios and the methodology we use to convert your system to SAP S/4HANA.

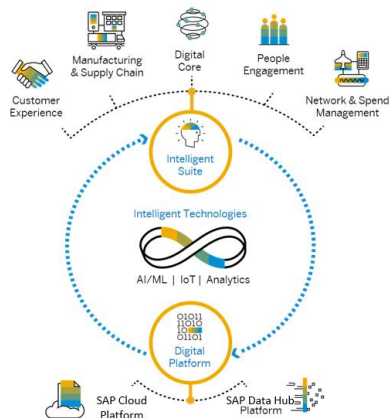

## Transformation Workshop Package

### You will get a deep insight into...

- Changes for your department after the migration to SAP S/4HANA.
- The process-based way of working with SAP Fiori apps.
- Possible SAP Best Practices for your department.

After the workshop, you will receive a recommended course of action for your path to SAP S/4HANA. This recommendation is based on the project knowledge we have acquired in the field of SAP S/4HANA.

## SAP S/4HANA Preliminary Study

With the SAP S/4HANA preliminary study, you receive....

- a detailed examination of your SAP business processes in the context of SAP Best Practices in the field of SAP S/4HANA.
- a functional and technical analysis of your system.
- the development of up to 3 transformation scenarios including a rough project planning as well as a cost indication.

Our transformation scenarios are based on our SAP S/4HANA project knowledge.

Our rough project planning and cost indication are based on years of experience in transformation processes.

## SAP S/4HANA Implementation

Have you chosen SAP S/4HANA Cloud or On-Premise?
